Remarks:

*Regarding the rejection of claims 3 and 6 under 35 USC 112:*

The applicant's currently amended claims are believed to fully and adequately address and overcome the Examiner's rejection of claims 3 and 6. Claim 3 has been cancelled, and claim 6 has been amended. Further the applicant presents new claims 7 and 8 which provide further limitations. Support for newly presented claims 7 and 8 may be found in the applicant's specification as filed, at page 5, lines 21 - 24.

The applicant thanks the Examiner for his expedient attention to this application and to the indication of allowable subject matter.

The applicant's currently amended claims are believed to place the application into condition for allowance. Early issuance of a *Notice of Allowance* is solicited. Should the Examiner in charge of this application believe that telephonic communication with the undersigned representative would meaningfully advance the prosecution of this application towards allowance, the Examiner is invited to contact the undersigned at their convenience.

**CONDITIONAL AUTHORIZATION FOR FEES**

Should any further fee be required by the Commissioner in order to permit the timely entry of this paper, the Commissioner is authorized to charge any such fee to Deposit Account No. 14-1263.

Respectfully Submitted:
